invites all Northwestern staff to

Performing Yourself: Choice for Effective Communication

In our world today, having good information is not enough; you must be able to successfully communicate it with others to really make a difference. This workshop will explore how you can better communicate what is important to you more effectively.

The techniques covered will help people lead better meetings, have more impactful presentations, and help in all aspects of interpersonal communication. Based upon theater and performance studies approaches, the workshop will focus on performance choices available in every situation.

Thursday, January 25, 2018

12pm - 1pm

Norris, Wildcat Room

presented by **Dr. Peter Civetta**

Director, Office of Undergraduate Research

Lecturer, Department of Theatre and The Writing Program
