

AHEAD@NORTHWESTERN

invites all staff to:

Create a Website

Use sites.northwestern.edu to build with Wordpress

Thursday March 21st, 2019

12:00pm - 1:00pm

Wildcat Room, Norris

RSVP at <http://tiny.cc/qirl3y>

We can easily build and manage websites and blogs — free of charge — for academic and research purposes using the WordPress content management system through sites.northwestern.edu.

Learn how to use the click-to-pick design themes, plugins for added site functionality and general information to help you to build a site easily

Presented by
Ben Schroeder
Global Marketing and Communications
and
Julie Cowan
Research Communications
