

AHEAD@NORTHWESTERN

invites all staff to:

Create a Website!

Use sites.northwestern.edu to build with Wordpress

Thursday April 11th, 2019

12:00pm - 1:00pm

339 Rubloff

375 East Chicago Avenue

Chicago Campus

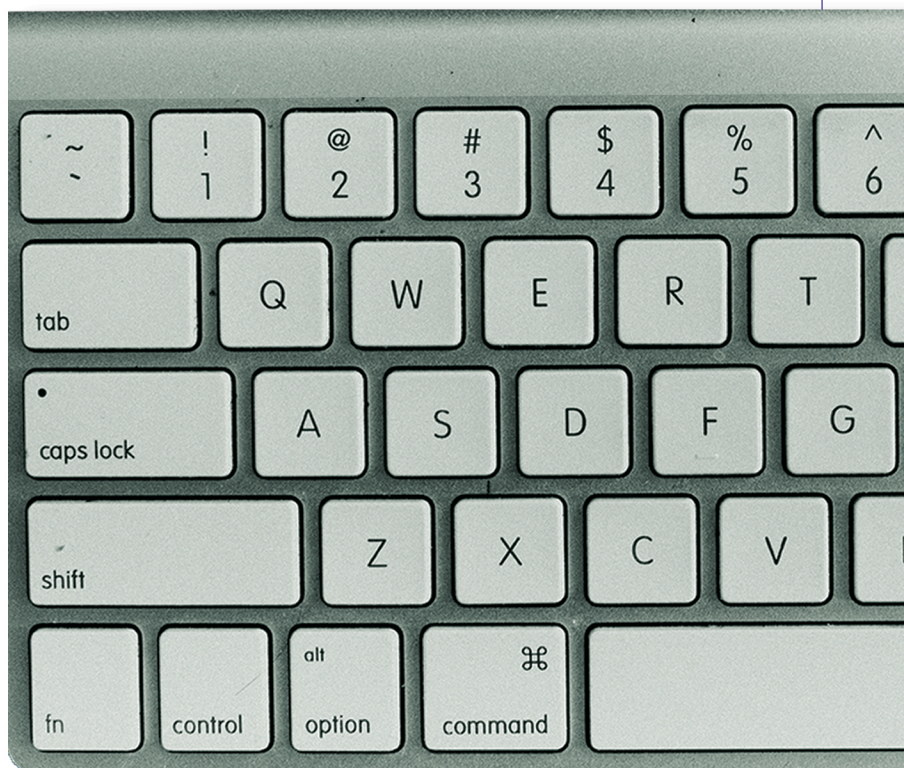

RSVP at <https://tinyurl.com/y6gvmc8z>

We can easily build and manage websites and blogs — free of charge for academic and research purposes using WordPress through sites.northwestern.edu.

Learn how to use the click-to-pick design themes, plugins for added site functionality and general information to help you to build a site easily

Presented by
Ben Schroeder
Global Marketing & Communications
and
Julie Cowan
Research Communications

PLEASE bring a laptop if you can!

ahead@northwestern.edu

Helping staff get ahead at Northwestern through career and personal development & programming
